

ANGLICKÝ JAZYK VII.A

Řešení za období od 16.3. do 20.3.

Moje milé žákyně a moji milí žáci!

Chápu, že v tomto nelehkém období se na nás na všechny valí spousta dosud nepoznaných a neznámých věcí, mnohdy i nepříjemných. Také ale chápu, že nemůžeme ustrnout na místě, ať už se jedná o školu a vzdělávání, nebo o cokoli jiného. Je třeba pohnout se kupředu a snažit se o to víc.

A protože je mi jasné, že ne všichni máte možnost si mnou zadané úkoly vytisknout, naskenovat a poslat mi je zpátky vypracované, rozhodla jsem se Vám průběžně posílat jejich řešení za jednotlivá období. Na úkoly těch, kteří k tomu mají možnosti, budu na mém emailu čekat vždy do následujícího pondělí po vypršení období určeného k jejich vypracování. Do konce týdne pak naleznete na stránkách školy správné řešení jednotlivých cvičení. Po zveřejnění výsledků už mi samozřejmě za dané období nic neposílejte a jen si zkontrolujte, popř. opravte vaše výsledky. **Jen Vás žádám, abyste jen nečekali, až řešení zveřejním, ale abyste se opravdu snažili nad jednotlivými úkoly sami zamyslet a sami nebo s pomocí kohokoli blízkého je vypracovat.**

Jak řekl už řecký filozof Seneca: „Neučíme se pro školu, ale pro život!“ A v tomto období to platí dvojnásob!

Vaše angličtinářka Andrea Trochtová 😊

• Student's Book
