

Pink - Just Give Me a Reason

Right from the start

You _____ a thief, you _____ my heart

And I your willing victim

I _____ you _____ the parts of me, that _____ all
that pretty

And with every touch you _____ them

Now you've been talking in your sleep oh oh

Things you never _____ to me oh oh

_____ me that you _____ enough

Of our love, our love

Just _____ me a reason, just a little bit's enough

Just a second we're not broken just bent, and we _____ to love again

It's in the stars, it's been written in the scars on our hearts

We're not broken just bent, and we _____ to love again

I _____ I _____

Where all of this _____ from

I _____ that we _____ fine (Oh we had everything)

Your head _____ wild again

My dear we still _____ everythin'

And it's all in your mind (Yeah but this is happenin')

You've been havin' real bad dreams oh oh

You _____ so close to me oh oh

There's nothing more than empty sheets between our love, our love

Oh our love, our love

Just _____ me a reason, just a little bit's enough

Just a second we're not broken just bent and we _____ to love again

I never _____, you're still written in the scars on my heart

You're not broken just bent and we _____ to love again

Oh tear ducts and rust

I _____ it for us

We _____ dust, but our love's enough

You _____ it in

You _____ a drink

No nothing _____ as bad as it _____

We _____ clean

Just _____ me a reason just a little bit's enough

Just a second we're not broken just bent and we _____ to love again

It's in the stars, it's been written in the scars on our hearts

That we're not broken just bent and _____ to love again

Just _____ me a reason, just a little bit's enough

Just a second we're not broken just bent, and we _____ to love again

It's in the stars, it's been written in the scars on our hearts

That we're not broken just bent, and we _____ to love again

Oh we _____ to love again

Oh we _____ to love again oh oh

Oh that we're not broken just bent and we _____ to love again
