❖ str.47, cv.2

1 Students who are studying media courses or hope to work in the radio industry work at university radio stations.

2 University radio stations entertain local people and the students by playing all the latest music and chart hits. They also review bands, films and new CDs. They inform the students about all the news in campus and in the local area.

3 A radio station needs several people such as a DJ, journalists, a technician or engineer and a producer.

- ✓ entertain - to keep a group of people interested or enjoying themselves
- ✓ inform - to tell someone about particular facts
- ✓ smoothly - easily and without interruption or difficulty
- ✓ producer – a person who makes the practical and financial arrangements needed to make a film, play, or T vor radio programme
