

**A** I am a **woolly mammoth**<sup>5</sup> with lots of hair. My wife is called Ellie, and I have a daughter. Her name is Peaches. I really love my family and my friends.

**B** My favourite thing in the world is my **acorn**<sup>6</sup>. Sometimes I lose it, but I always find it again. I want to keep it **forever**<sup>7</sup>.

**C** When I was young, my parents left me alone. Then I found some new friends, Manny and Diego. I like to dance and help people, but sometimes I make mistakes.

**D** We have the same birthday, and we are best friends. We aren't very clever, but we love to have fun. Our mum **adopted**<sup>8</sup> Ellie, so she's our sister.

**E** Manny is my best friend. I also have a girlfriend called Shira. I've got light brown and orange hair, and Shira has beautiful grey hair. We would like to have children and start a family.

**F** I'm a mammoth too, but when I was young I thought that I was a **possum**<sup>9</sup>. So Crash and Eddie are like my brothers, but they're not my real brothers. We **grew up**<sup>10</sup> together. I love being a mum to my daughter, Peaches.
