

London

Here are four famous places in London. Write the names and find them on the map. Write the numbers on the map.

1 The Queen of England lives here! It is in between Green Park and St James's Park and has 188 bedrooms, 76 bathrooms, a post office, a police station, a cinema and a swimming pool!

Q **Buckingham Palace**

2 This clock is next to Westminster Bridge and the River Thames. It chimes* every fifteen minutes. You can climb inside the tower to the clock. But there are 334 steps!

Q

3 This big wheel is next to the River Thames. There are 32 pods, with the numbers 1-33 because there is no number 13. Why? Number 13 is unlucky* in the UK!

Q

4 This square celebrates* the Battle* of Trafalgar in 1805. In the middle of the square there is a very tall statue – it's 52 metres high. There are four big lion statues around it.
