

Alec Benjamin – Let me down slowly

This night _____ cold in the kingdom

I _____ you fade away

From the kitchen to the bathroom sink and

Your steps _____ me awake

_____ me _____, _____ me _____,

_____ me here to waste

I once _____ a man with dignity and grace

Now I _____ through the cracks of your cold embrace

So please, please

_____ you _____ a way to let me down slowly?

A little sympathy, I _____ you _____ me

If you wanna go then I _____ so lonely

If you _____, baby, let me down slowly

Let me down, down

Let me down, down

Let me down

Let me down, down

Let me down, down

Let me down

If you wanna go then I _____ so lonely

If you _____, baby, let me down slowly

Cold skin, drag my feet on the tile

As I _____ down the corridor

And I _____ we _____ in a while

So I _____ an open door

_____ me _____, _____ me _____,

_____ me here to waste

I once _____ a man with dignity and grace

Now I _____ through the cracks of your cold embrace

So please, please

_____ you _____ a way to let me down slowly?

A little sympathy, I _____ you _____ me

If you wanna go then I _____ so lonely

If you _____, baby, let me down slowly

Let me down, down

Let me down, down

Let me down

Let me down, down

Let me down, down

Let me down

If you wanna go then I _____ so lonely
If you _____, baby, let me down slowly

And I _____ myself from falling down
And I _____ myself from falling down
And I _____ myself from falling down
And I _____ myself from falling down

_____ you _____ a way to let me down slowly?
A little sympathy, I _____ you _____ me

If you wanna go then I _____ so lonely
If you _____, baby, let me down slowly

Let me down, down
Let me down, down
Let me down
Let me down, down
Let me down, down
Let me down

If you wanna go then I _____ so lonely
If you _____, baby, let me down slowly

If you wanna go then I _____ so lonely
If you _____, baby, let me down slowly
